Thanks Don. I accepted your edits and added several concerns to your Opt. 4 (based on my understanding of it....but if you have a different vision, let me know).

I plan to send out ~ 3/3:30 so if you'd like to discuss before hand, let me know.

Hi Don--

Let me know if you have any comments on the OR ag background info I pulled together for our conversation on Monday. I would like to send by mid afternoon today.

Don--

To help Lynda and Joelle have a better understanding of the key issues regarding OR ag, potential decision options, and implications for the national program, I put together the attached overview. I pulled from several old ag briefing docs and updated as needed. I welcome any input you may have by noon on Friday.

Thanks,

Allison
